SELECTMEN'S REPORT

1986 was a year that passed with few real surprises. The local economy stayed healthy and town affairs continued as expected and as outlined in last year's town meeting. Only two events occurred that were of major concern; the expected private solution to our solid waste problem did not materialize, and an unanticipated tax increase occurred.

Many factors were involved in the failure of the solid waste plan, but the tax increase deserves an explanation. At town meeting last year an additional fifty two thousand dollars worth of special articles were approved and annual revenues were down considerably from predicted. These two items alone created much of the unexpected tax increase. Add that to the lack of a large expendable surplus, and you can have the reason behind this one time tax increase.

Several major concerns continue to face the town, all of which have been recognized for many years. As our town continues to grow, these problems are magnified. Trash disposal looms as an ever greater problem. Sewage disposal is a major concern when related to our groundwater. Organized recreational facilities for our youth are needed. Additional space in our town garage has been needed for years. Increased demand for public services, such as police protection, zoning ordinance enforcement, building code enforcement, life safety code enforcement, fire code enforcement and several health and safety inspections, has required an increase in personnel. These increases have placed a strain on already crowded conditions in the town hall and the police station. Traffic congestion continues to be a major concern both as an annoyance and a safety problem. We all recognize that growth contributes to the severity of each of these concerns, but we also recognize that growth has provided the healthy economy we depend on.

Your Board of Selectmen is continually working on each of these problems and each year attempts to offer a solution, or partial solution, to some of them. The final decisions rest with the town meeting. This year is no different. The Selectmen are proposing long term solutions for three of these problems and a partial solution for one of them. We propose to eliminate the problem of space in town hall by moving the district court into a new facility at no cost to the town. We support the construction of an addition to the police station to solve their overcrowded condition. We propose the construction of a new town garage, a long overdue facility, to protect a huge investment in highway equipment. We are also requesting that the town appropriate funds to close out our inactive landfill. This will not solve the problem of trash disposal, but will prevent a 25-year accumulation of trash from creating greater problems.

The decisions that we are asking you to make will not come easily. The costs may seem high, but remember the cost next year will be higher. All of these proposals can be delayed, but they have been delayed for years already,

along with several others. If we do not progressively solve our existing problems, the time will come when, collectively, they will be unsolvable.

In a somewhat lighter vein, I would like to take this opportunity to thank the individual members of this community who have spent so many hours of their time providing service to the Town of Conway. Space does not allow me to mention all of them individually, but you all know some of them. They are members of various boards and committees such as the Planning Board, the Zoning Board of Adjustment, the Budget Committee, the Conservation Commission, the Supervisors of the Checklist, the Trustees of Trust Funds, the Library Trustees, the Park Commissioners, the Recreation Committee, the Fire Warden, the Health Officer, the Historic District Committee, and many others. Without their participation and commitment, the town could not function.

I cannot conclude this report without complimenting the staff at the town hall, in the Selectmen's office, in the Town Clerk's office, and in the District Court's office, on their dedication and professional performance during the past year. Our transfer station continues to operate smoothly and efficiently, due mainly to able and concerned employees. In addition, I have to say that we are proud of the people working in the town garage and on the highway crew for their performance under the most adverse condition. I do not know of a single town in the State of New Hampshire with a more competent, experienced and dedicated maintenance and highway crew. Where else in the country are the highways and equipment in better shape?

It has been a privilege and a pleasure to serve as Selectman for the past 5-1/2 years. I thank the citizens of Conway for giving me that opportunity. I am sure that the person elected to the Board of Selectmen in March will enjoy serving and working with Robert Bumstead and Peter Pinkham as much as I have.

Respectfully,
PAUL ASHNAULT, Chairman
Board of Selectmen

L to R - Selectmen Paul Ashnault & Robert Bumstead, Sign Maker, Jonathan Goodwin, Selectman, Peter Pinkham.

CONWAY TOWN WARRANT

STATE OF NEW HAMPSHIRE

TO THE INHABITANTS OF THE TOWN OF CONWAY, County of Carroll, in the State of New Hampshire, qualified to vote in Town Affairs:

You are hereby notified to meet at the Karl Seidenstuecker Auditorium at Kennett High School, Conway, New Hampshire, on Tuesday, the tenth day of March, 1987, at nine o'clock in the forenoon to act upon the following subjects hereinafter set forth. Voting on Articles 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16 and 17 will be by official ballot, and the polls shall open for balloting at nine o'clock in the forenoon or as soon thereafter as the Moderator calls the meeting to order and declares a quorum present. The remaining articles of the Warrant shall be acted upon at seven o'clock in the evening or at the closing of the polls if the meeting shall vote to keep the polls open to a later hour.

ARTICLE 1. To choose all necessary officers.

ARTICLE 2. To see whether or not the Town will vote to adopt Amendment No. 1 as proposed and recommended by the Planning Board for the town zoning ordinance amending Conway Code Article 147-15. A. by increasing the minimum lot size for multi-dwelling units located on municipal water and sewerage systems.

ARTICLE 3. To see whether or not the Town will vote to adopt Amendment No. 2 as proposed and recommended by the Planning Board for the town zoning ordinance amending Conway Code Article 147-15. B. by increasing the minimum lot size for multi-dwelling units located on municipal water or sewerage systems.

ARTICLE 4. To see whether or not the Town will vote to adopt Amendment No. 3 as proposed and recommended by the Planning Board for the town zoning ordinance amending Conway Code Article 147-15. C. by increasing the minimum lot size for multi-dwelling units not located on municipal water or sewerage systems.

ARTICLE 5. To see whether or not the Town will vote to adopt Amendment No. 4 as proposed and recommended by the Planning Board for the town zoning ordinance amending Conway Code Article 147-16. Clarifying the rights of use on lots located in multiple zoning districts.

ARTICLE 6. To see whether or not the Town will vote to adopt Amendment No. 5 as proposed and recommended by the Planning Board for the town zoning ordinance amending Conway Code Article 147-17. B. by changing the minimum setback of buildings and structures in the Business District to 25 feet from the nearest road.

ARTICLE 7. To see whether or not the Town will vote to adopt

admdendment No. 6 as proposed and recommended by the Planning Board for the town zoning ordinance amending Conway Code Article 147-21. A. To clarify and fix the Village Commercial District bounds in the Center Conway area.

ARTICLE 8. To see whether or not the Town will vote to adopt Amendment No. 7 as proposed and recommended by the Planning Board for the town zoning ordinance amending Conway Code Article 147-17. 1. by deleting subsection (3) and amending subsection (4) so that all lots fronting on Saco River, Swift River or great ponds must have a minimum water frontage of 150 feet.

ARTICLE 9. To see whether or not the Town will vote to adopt Amendment No. 8 as proposed and recommended by the Planning Board for the town zoning ordinance amending Conway Code Article 147-6. by adding a definition for "MUNICIPAL".

ARTICLE 10. To see whether or not the Town will vote to adopt Amendment No. 9 as proposed and recommended by the Planning Board for the town zoning ordinance amending Conway Code Article 147-6. by adding a definition for "TRADESMAN" and amending Conway Code Article 147-11. A. (3) (i) to include "or wholesale" with "retail sales" permitted by a home occupation.

ARTICLE 11. To see whether or not the Town will vote to adopt Amendment No. 10 as proposed by the petition of Robert E. Morse and others for the town zoning ordinance as follows: Amending Conway Code Article 147-11. A. (2) by adding a further subsection which would permit antique shops to be operated as a home occupation in the Residential District. This is a petitioned article not recommended by the Planning Board.

ARTICLE 12. To see whether or not the Town will vote to adopt Amendment No. 11 as proposed by the petition of Edward J. Bolduc and others for the town zoning ordinance as follows: Amending Conway Code Article 147-21. B. (2) which would extend the Village Commercial District in Conway Village into the ten-year floodplain along Pequawket Pond between the Conway Scenic Railroad and Pleasant Street but back from Main Street no more than 400 feet; and amending Conway Code Article 147-21. B. (2) to make all lots fronting on Lake Street to be included in the Village Commercial District in Conway Village. This is a petitioned article not recommended by the Planning Board.

ARTICLE 13. To see whether or not the Town will vote to adopt Amendment No. 12 as proposed by the petition of Rony Haskel et al. for the town zoning ordinance as follows: Amending Conway Code Article 147-15. reducing density requirements in all districts up to 50% for affordable housing proposed as special exceptions to be granted by the Zoning Board of Adjustment. This is a petitioned article not recommended by the Planning Board.

ARTICLE 14. To see whether or not the Town will vote to adopt Amendment No. 13 as proposed and recommended by the Planning Board for the town zoning ordinance adopting a new Conway Code Chapter 91 requiring commercial and multi-family dwelling units to install fire rated sprinkler systems when site plan approval is required with water source and storage to be as approved by the Town Engineer with the Fire Chiefs.

ARTICLE 15. To see whether or not the Town will vote to adopt Amendment No. 14 as proposed and recommended by the Planning Board for the town zoning ordinance amending Conway Code Article 147-21. B. (2) by changing the Village Commercial District in Conway Village to include lots bordering on Lake Street provided it shall not extend into the 10-year floodplain.

ARTICLE 16. To see whether or not the Town will vote to adopt Amendment No. 15 as proposed and recommended by the Planning Board for the town zoning ordinance adopting The Life Safety Code, NFPA Doc. No. 101, 1976 Edition, as amended, as Conway Code Chapter 90.

ARTICLE 17. To see whether or not the Town will vote to adopt Amendment No. 16 as proposed and recommended by the Planning Board for the town zoning ordinance amending Conway Code Article 88-4. to establish a new fee schedule for building permits issued by the Town.

ARTICLE 18. To see if the Town will vote to raise and appropriate the sum of \$300,000.00 for the purposes of constructing an additional 12-bay TOWN GARAGE building at Center Conway, New Hampshire, and to authorize the Selectmen to borrow up to said sum under the Municipal Finance Act with the Selectmen to arrange all terms and conditions of such borrowing and its repayment, to be acted on by ballot of the Town. Recommended by the Budget Committee (10-0-2).

ARTICLE 19. To see if the Town will vote to raise and appropriate the sum of \$450,000.00 for the purposes of constructing an addition to and renovating the existing POLICE BUILDING in North Conway, New Hampshire, and to authorize the Selectmen to borrow up to said sum under the Municipal Finance Act with the Selectmen to arrange all terms and conditions of such borrowing and its repayment, to be acted on by ballot of the Town. Recommended by the Budget Committee (7-3-2).

ARTICLE 20. To see if the Town will vote to raise and appropriate the sum of \$640,000.00 for the purposes of constructing a NEW DISTRICT COURT building on land of the Town in Center Conway, New Hampshire, and to authorize the Selectmen to borrow up to said sum under the Municipal Finance Act with the Selectmen to arrange all terms and conditions of such borrowing and its repayment, to be acted on by ballot of the Town (the principal and interest of this bond to be repaid under the lease payments to be paid by the State of New Hampshire). Recommended by the Budget Committee (11-0-1).

ARTICLE 21. To see if the Town will vote to raise and appropriate the sum of \$175,000.00 for the purposes of improving certain roads at BIRCH HILL (being Forbes Drive, Blueberry Lane, Red Ridge Road, Attitash Lane, Nina Lane, Ledgeview Drive, and one unnamed spur road) on the West Side in North Conway, New Hampshire, under a Petition for Conditional Road Layout and to authorize the Selectmen to borrow up to said sum under the Municipal Finance Act with the Selectmen to arrange all terms and conditions of such borrowing and its repayment, to be acted on by ballot of the Town (the principal and interest of this bond to be assessed against and directly paid by those abutting or served by these roads only). Recommended by the Budget Committee (11-0-1)

ARTICLE 22. To see if the Town will vote to raise and appropriate the sum of \$825,000.00 for the purposes of closing out the SOLID WASTE LANDFILL facility of the Town as required by State law and to authorize the Selectmen to borrow up to said sum under the Municipal Finance Act with the Selectmen to arrange all terms and conditions of such borrowing and its repayment, to be acted on by ballot of the Town. Recommended by the Budget Committee (11-0-1).

ARTICLE 23. To see whether or not the Town will vote to amend the Conway Code, and specifically portions of Chapter 113, dealing with SEPTAGE AND SOLID WASTE USER FEES, all in accordance with proposed amendments set forth at length as Appendix A in this Town Report and attached to this Warrant.

ARTICLE 24. To see what sums of money the Town will vote to raise and appropriate for the following purposes:

GENERAL GOVERNMENT

- Town Officers' Salaries
- Town Officers' Expenses
- Election and Registration Expenses
- Cemeteries
- General Government Buildings
- Assessing
- Planning and Zoning

ARTICLE 34. To see if the Town will vote to raise and appropriate the sum of Fifty Four Thousand Dollars (\$54,000.00) to assist the CONWAY VILLAGE RECREATION COMMISSION and the NORTH CONWAY COMMUNITY CENTER: \$27,000.00 to the Conway Village Recreation Commission, and \$27,000.00 to the North Conway Community Center; said sums to be allocated to the Conway Village Recreation Commission and to the Board of Directors, North Conway Community Center. Agreeable to a petition signed by Peter J. Steele and other. Recommended by the Budget Committee (12-0-0).

ARTICLE 35. To see if the Town will vote to raise and appropriate the sum of Two Thousand Dollars (\$2,000.00) to help defray the expenses of the services and programs as carried out by the MT. WASHINGTON VALLEY

CHAPTER OF THE AMERICAN RED CROSS. Agreeable to a petition signed by Katheryn A. Burnell and others. Recommended by the Budget Committee (11-0-1).

ARTICLE 36. To see if the Town will vote to raise and appropriate the sum of Eight Thousand Six Hundred Sixty Dollars (\$8,660.00) to assist the CARROLL COUNTY MENTAL HEALTH SERVICE. Agreeable to a petition signed by Madelene P. Costello and others. Recommended by the Budget Committee (12-0-0).

ARTICLE 37. To see if the Town will vote to raise and appropriate the sum of Five Thousand Four Hundred Dollars (\$5,400.00) to assist the FAMILY HEALTH CENTER (FAMILY PLANNING, PRENATAL AND PRIMARY CARE PROGRAM). Agreeable to a petition signed by Madelene P. Costello and others. Recommended by the Budget Committee (12-0-0).

ARTICLE 38. To see if the Town will vote to raise and appropriate the sum of Nine Thousand Four Hundred Dollars (\$9,400.00) for the purpose of providing services for the YOUNG MOTHERS' PROGRAM of the Children & Youth Project of Mt. Washington Valley. Agreeable to a petition signed by Evelyn B. Dole and others. Not recommended by the Budget Committee (4-8-0).

ARTICLE 39. To see if the Town will vote to raise and appropriate the sum of Nine Thousand Five Hundred Dollars (\$9,500.00) for the support of the CHILDREN & YOUTH PROJECT OF MT. WASHINGTON VALLEY. Agreeable to a petition signed by Evelyn B. Dole and others. Recommended by the Budget Committee (12-0-0).

ARTICLE 40. To see if the Town will vote to raise and appropriate the sum of Two Thousand Dollars (\$2,000.00) for the NORTH CONWAY DAY CARE CENTER. Agreeable to a petition signed by Sister Marjorie Moon, P.A. and others. Recommended by the Budget Committee (12-0-0).

ARTICLE 41. To see if the Town will vote to raise and appropriate the sum of Two Thousand Dollars (\$2,000.00) in support of the MT. WASHINGTON VALLEY CHAMBER OF COMMERCE. Said funds to be dedicated to the Chamber's Visitor Information Services. Agreeable to a petition signed by Edward J. O'Halloran and others. Recommended by the Budget Committee (9-2-0).

ARTICLE 42. To see if the Town will vote to raise and appropriate the sum of Two Thousand Sixty Dollars (\$2,060.00) for the purpose of running and maintaining the Conway Information Booth, to be carried out and accounted for by the CONWAY VILLAGE CHAMBER OF COMMERCE. Agreeable to a petition signed by Lorraine Steele and others. Recommended by the Budget Committee (12-0-0).

ARTICLE 43. To see if the Town will vote to adopt the provisions of RSA 72:1-c which authorizes any town or city to elect not to assess, levy and collect a resident tax.

ARTICLE 44. To see if the Town will vote to raise and appropriate the sum of Thirteen Thousand Nine Hundred Seventy One Dollars and Sixty Cents (\$13,971.60) for the VISITING NURSE SERVICES OF NORTHERN CARROLL COUNTY, INC., said sum being equal to \$1.80 per person in the Town of Conway. Agreeable to a petition signed by Virginia F. Small and others. Recommended by the Budget Committee (10-2-0).

ARTICLE 45. To see if the Town will vote to raise and appropriate the sum of Three Thousand Three Hundred Dollars(\$3,300.00) to assist the ADVOCATES FOR SPECIAL PEOPLE, to be used to provide a recreation program for the special needs children that live in the Town of Conway. Agreeable to a petition signed by Deborah Snow and others. Recommended by the Budget Committee (12-0-0).

ARTICLE 46. To see if the Town will vote to raise and appropriate the sum of Twenty Thousand Dollars (\$20,000.00) for the 1987 Capital Budget of THE MEMORIAL HOSPITAL, North Conway, N.H. Agreeable to a petition signed by Jerome F. Downs and others. The Budget Committee makes no recommendation (tie vote 6-6-0).

ARTICLE 47. To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000.00) for the support of the EASTERN SLOPE AIRPORT AUTHORITY. Agreeable to a petition signed by Jesse E. Lyman, III, and others. Recommended by the Budget Committee (10-2-0).

ARTICLE 48. To see if the Town will vote to raise and appropriate the sum of Two Thousand Two Hundred Dollars (\$2,200.00) for support of the COMMUNITY ACTION OUTREACH PROGRAM. Agreeable to a petition signed by Barbara S. Bryant and others. Recommended by the Budget Committee (12-0-0).

ARTICLE 48. To see if the Town will vote to raise and appropriate the sum of Two Thousand Two Hundred Dollars (\$2,200.00) for support of the COMMUNITY ACTION OUTREACH PROGRAM. Agreeable to a petition signed by Barbara S. Bryant and others. Recommended by the Budget Committee (12-0-0).

ARTICLE 49. To see if the Town will vote to raise and appropriate the sum of Thirteen Thousand Dollars (\$13,000.00) for the CENTER OF HOPE, INC. Agreeable to a petition signed by Marshall F. Allan and others. Recommended by the Budget Committee. (11-0-0).

ARTICLE 50. To see if the Town will vote to raise and appropriate the sum of Four Thousand Two Hundred Sixty Nine Dollars and Ten Cents (\$4,269.10) for CHILDREN UNLIMITED, INC., said sum being equal to \$.55 per person in the Town of Conway. Agreeable to a petition signed by Barbara Nichols and others. The Budget Committee makes no recommendation (tie vote 6-6-0).

ARTICLE 51. To see if the Town will vote to raise and appropriate the sum

of One Thousand Dollars (\$1,000.00) in support of CARROLL COUNTY AGAINST DOMESTIC VIOLENCE & RAPE. Agreeable to a petition signed by Jan Kisluk and others. Recommended by the Budget Committee (11-0-0).

ARTICLE 52. To see if the Town will vote to raise and appropriate the sum of Fifteen Thousand Dollars (\$15,000.00) to be used for the addition of a CHILDREN'S ROOM TO THE NORTH CONWAY PUBLIC LIBRARY. Agreeable to a petition signed by H. Edmund Bergeron and others. Not recommended by the Budget Committee (5-7-0).

ARTICLE 53. To see if the Town will vote to grant Clifford C. Jackson, Sr., his heirs and assigns, the right to a burial lot, within a parcel of land on the West Side Road, that was deeded to the Town of Conway for a public burying ground; there being an irregular vacant lot approximately 19' x 20' in the southernmost part of the parcel, having one side bounded by the West Side Road and two sides bounded by land of the requisitioner. Agreeable to a petition by Clifford C. Jackson, Sr. and others.

ARTICLE 54. To see whether or not the Town will vote to adopt the following ordinance pursuant to authority of the Town under RSA 31:39 and RSA 41:11, to become Conway Code Chapter 142, as follows:

- 142-1 The driving on any way as defined in RSA 259:125 (I) inside the Town of Conway of any vehicle whose width as defined in RSA 266:14, including load, exceeds fourteen feet (14') and/or whose height exceeds thirteen feet six inches (13' 6") shall be prohibited, except under the following circumstances.
- A. The driver or owner of the vehicle in question has obtained appropriate permits for operation issued by the Commissioner of Transportation pursuant to RSA 266:24 and,
 - B. The driver or owner of the vehicle in question has obtained appropriate permits issued by the Board of Selectmen authorizing operation of the vehicle in question on ways inside the Town of Conway.
- 142-2 Any driver of a vehicle who procures a permit for operating a vehicle issued by the Board of Selectmen in connection with the provisions hereof, shall obey all special conditions specified by the Board of Selectmen in issuing said permit. Special conditions shall include time, manner, route, police patrol, and other special provisions unique to each permit.
- 142-3 Any sworn law enforcement officer is empowered to enforce the provisions of this ordinance.
- 142-4 Any person found in violation of this ordinance shall be guilty of a violation and may be fined not in excess of \$1,000.00 per each offense with such fines to enure to the general budget of the Town per RSA 31:39.

Recommended by the Conway Police Commission.

ARTICLE 55. To see whether or not the Town will vote to adopt the following ordinance pursuant to authority of the Town under RSA 31:39 and RSA 41:11, to become Conway Code Chapter 143, as follows:

- 143-1 No person shall drink any alcoholic beverage or alcoholic liquor, as defined in RSA 175:1, on any of the following premises within the Town of Conway:
- A. On any way as defined in RSA 259:125, or
 - B. Inside any vehicle while that vehicle is situated on any way as defined in RSA 259:125, or
 - C. At any public place as defined in RSA 644:2 (IV), (b), except in those public places which are authorized to sell or distribute alcoholic beverages and/or alcoholic liquor for consumption on their premises pursuant to NH RSA, Title XIII, Alcoholic Beverages.
- 143-2 Any sworn law enforcement officer is empowered to enforce the provisions of this ordinance.
- 143-3 Any person found in violation of this ordinance shall be guilty of a violation and may be fined not in excess of \$1,000.00 per each offense with such fines to enure to the general budget of the Town per RSA 31:39.

Recommended by the Conway Police Commission.

ARTICLE 56. To see if the Town will vote to raise and appropriate the sum of One Thousand Dollars (\$1,000.00) in support of the CONWAY HISTORICAL SOCIETY to be used toward continued external repairs on the Lord House. Agreeable to a petition signed by Suzanne C. Levesque and others. Recommended by the Budget Committee (12-0-0).

ARTICLE 57. Are you in favor of authorizing the Tax Collector to accept prepayment of Resident Taxes prior to issuance of the Resident Tax Warrant, such payments not to be received before April 1st of any given year, in accordance with New Hampshire Revised Statutes Annotated 80:1a.

ARTICLE 58. Are you in favor of authorizing the Tax Collector to accept prepayment of property taxes prior to issuance of Tax Warrant, such payments not to be received before April 1st of any given year, in accordance with New Hampshire Revised Statutes Annotated 80:52a.

ARTICLE 59. To see if the Town will vote to authorize the Selectmen to hire upon the credit of the Town such sums of money as may be needed, such sums not to exceed the combined school, town and county tax budgets, in anticipation of town, county and school purposes.

ARTICLE 60. To see if the Town will vote to authorize the Selectmen, in behalf of the Town of Conway, N.H. to accept gifts and/ or Federal or State aid in the name of the Town of Conway, N.H. applied for, and to receive and expend them in accordance with the purposes thereof.

ARTICLE 61. To see if the Town will vote to authorize the Selectmen to withdraw Capital Reserve Funds established by the Town from time to time and disburse the same in accordance with the purposes for which such funds were created respectively.

ARTICLE 62. To see if the Town will vote to authorize the Selectmen to sell, at their discretion, at public auction, any real estate in the Town to which the Town has title by Collector's Deed; except when it is being sold back to the former owner, or to a party who has succeeded to the title of the former owner, in which case private sale may be utilized; any such real estate to be sold and conveyed on or before the next annual Town Meeting.

ARTICLE 63. To act upon any other business that may legally come before said meeting.

Given under our hands and seal at Center Conway, New Hampshire, this 19th day of February, 1987.

Paul O. Ashnault
Charles Peter Pinkham
Robert Bumstead

A true copy attest:
John D. Stevens, Justice of the Peace

We hereby certify that we posted a like copy of the within Warrant on February 19, 1987, at the post offices at Conway, North Conway and Center Conway, at the Town Hall at Center Conway, and at Karl Seidenstuecker Auditorium at Kennett High School, the place of Meeting, all public places within the said Town of Conway.

Paul O. Ashnault
Charles Peter Pinkham
Robert Bumstead

State of New Hampshire
Carroll ss.

Personally appeared Paul O. Ashnault, Charles Peter Pinkham, and Robert Bumstead, Selectmen of the Town of Conway, New Hampshire, and made oath that the foregoing certificate by them is true, before me,

John D. Stevens
Justice of the Peace

APPENDIX A

To amend Conway Code as follows:

- A. In 113-1 delete RSA 147:23 and insert therefor RSA Ch. 149-M.
- B. In 113-1, 113-2 and 113-6 delete the word "landfill" where used and insert before the word "facility" or "facilities", where used, the words "solid waste", and insert before the word "waste", where used, the word "solid".
- C. In 113-2, 113-3, 113-4 and 113-5 insert before the phrase "rules and regulations", where used, the word "fees".
- D. In 113-2 add to the end of the first sentence thereunder, "and/or commercial haulers".

and to ratify the adoption of Conway Code 113 Article II, in its entirety but amend the same as follows:

- E. In said Conway Code Article II to delete throughout the words "landfill", "landfill site", "landfill facility" and/or "landfill facilities" where used and insert therefor the phrase "solid waste facility" or "solid waste facilities" as appropriate to the context.
- F. In the definition of USER FEE-SEPTAGE LAGOON SYSTEM in 113-8 delete the last sentence.
- G. In 113-8 add to the end of the list of Definitions an additional definition as follows:

OTHER DEFINITIONS: Words and phrases hereunder may as appropriate be deemed to have the same meaning as set forth in RSA 149-M:1.

- H. In 113-13 C. delete the same with its subparagraphs and insert therefor as follows:
 - C. User fee. As of March 10, 1987, a user fee will be paid by the generator of commercial septage discharged at the solid waste facility at a rate of \$25 per 1,000 gallons of septage.
- I. In 113-13 delete the title "Septage Lagoon System" and insert therefor "Solid Waste Facility".
- J. Add to 113-13 a new subparagraph D. as follows and reletter the subsequent paragraphs thereafter alphabetically:
 - D. User fee. As of March 10, 1987 a user fee will be paid by all commercial haulers per truck load or any fractional load thereof as follows:

1. Pickup and light trucks
(less than 2 ton capacity) \$10/load
 2. 16 yard capacity packers \$80/load
 3. 20 yard capacity packers \$100/load
 4. All other trucks and/or tractor trailer
trucks or haulers \$100/load
- K. In the present 113-13 D. (1) and (2) delete the word "lagoon" and insert therefor the phrase "solid waste facility" and in said (2) insert after the word "gallonage" the phrase "or capacity", and in said (2) delete the last two words "for storage".
- L. In 113-13 E. delete the same and insert therefore as follows:
- E. Billing for user fees: Based on the manifest submitted, a monthly statement may be sent to each property owner generating such septage or to a regular commercial hauler for payment as stated, but this shall not preclude other collection procedures including prepayment requirements as the Selectmen may direct.

AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of
the Board of Selectmen
Town of Conway
Conway, New Hampshire

We have examined the combined financial statements and the combining fund and account group financial statements of the Town of Conway, New Hampshire as of and for the year ended December 31, 1985, as listed in the table of contents. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1B, the combined financial statements referred to above do not include financial statements of the General Fixed Asset Group of Accounts which should be included to conform with generally accepted accounting principles.

In our opinion, except that omission of the General Fixed Asset Group of Accounts results in an incomplete presentation, as explained in the above paragraph, the combined financial statements and the combining fund and account group financial statements referred to above present fairly the financial position of the Town of Conway, New Hampshire at December 31, 1985, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the combined financial statements taken as a whole and on the combining fund and account group financial statements. The accompanying financial information listed as supplemental schedules in the table of contents, including the Supplemental Schedule of Federal Assistance, is presented for purposes of additional analysis and is not a required part of the combined financial statements of the Town of Conway, New Hampshire. The information has been subjected to the auditing procedures applied in the examination of the combined, combining fund and account group financial statements and, in our opinion, is fairly stated in all material respects in relation to the combined financial statements taken as a whole.

March 3, 1986

TOWN MANAGER'S REPORT To The Board Of Selectmen and Citizens Of Conway:

Sometimes it appears the same old problems never go away, but only increase in proportion and cost. While the Town has certainly grown and prospered, the traffic, garbage and sewer problems have grown as well; however, there may just be a light at the end of the tunnel.

The State is conducting an Environmental Impact Study on the Route 16 Bypass due to be complete by early 1988. Another private firm, Thermo Electron, has offered to build a \$26 million, 200 ton per day garbage-to-electricity plant, and the Town is searching for a local landfill site. The Town has also designed a State-ordered plan to cap its 25 year old ten acre garbage landfill. The intent is to limit the pollution now showing in our 10 monitoring wells. That solution is tagged at \$825,000. The engineering firm of Metcalf & Eddy, Inc. has recommended a \$10.4 million sewer system for North Conway Village. We must not be discouraged or faint in our resolution of these problems, for as the keepers of paradise, we bear a great responsibility to keep it that way.

As the Town has begun to grow in recent years, we responded by hiring more employees and buying more equipment to address demands. An architect hired by the Town has recommended building additions and renovations which are on the ballot for your funding approval. We do not seek a higher level of comfort, but a higher efficiency as more and more have crowded the same old space.

1986 was not all spent conducting studies. We did solve some problems, including providing handicapped access to the Town Hall and the Police Station. We finished the Smith-Eastman Landing recreation area, and at year end we received 22 acres of land adjacent to First Bridge as a gift from Dr. Eugene Hussey. This should help us resolve long standing parking and access problems at that site.

The Highway Dept. paved 6 miles of our 77 miles of roads, reconstructed 4,400 feet of South Conway Road, and began reconstruction of a mile of Davis Hill Road. The Town rehabilitated 14 units of low to moderate income existing housing during the year, bringing to 34 the total units assisted with a 1985 Federal Community Development Grant of \$294,000.

The Board of Selectmen and I meet each Monday afternoon in public session and we solicit your advice.

Thank you for your assistance and support.

Respectfully submitted

Curtis H. Lunt
Town Manager

ASSESSOR'S REPORT 1986

The number of building permits issued for 1986 was 424. This is up from 314 in 1985. We can anticipate an increase again in 1987 based on the present economy and the amount of applications for subdivisions being filed with the Planning Board.

While at first glance the millions of dollars of new taxable value seems to be of benefit as added revenue, we also experience an increased demand for services provided by the Town. This added burden on our schools, police department, trash transfer, and other municipal services, in effect cancels out most of the added revenue, so that we cannot readily see any tangible benefit such as a reduced tax rate.

PRECINCT	TAXABLE VALUE	TAX RATE	PERCENTAGE
#1 Conway Village	\$ 43,238,850	\$35.16	17.3
#2 North Conway Lighting	48,901,900	30.99	19.6
#3 East Conway Fire	3,679,890	29.02	1.4
#4 Center Conway Fire	14,758,760	28.33	5.9
#5 Center Conway Lighting	6,349,275	28.88	2.6
#6 North Conway Water	42,565,120	30.42	17.1
#7 Kearsarge Lighting	19,116,580	30.54	8.0
#8 Intervale Lighting	13,945,330	30.57	5.6
#9 Town	56,113,845	27.70	22.5

REPORT FROM THE CHIEF OF POLICE FOR 1986

Due to the ever increasing traffic and construction in the area, 1986 shows a sharp increase in Requests for Police Services. The two areas which reflected the greatest rise were drunk driving arrests at 17%, and motor vehicle accidents at 19%.

Traffic on the strip for the first nine months of '86 was up 6% over the same period in 1985. The State reports show that in the first nine months of 1986 - 5,244,366 cars travelled the strip. This would average out to 19,210 cars daily which is approximately 1,206 more cars a day than the 1985 average.

The New Hampshire State Police Telecommunications System that was approved at last year's Town Meeting went on-line the second week of June. This system has been of great assistance to us and I think it is probably the best law enforcement tool that we have at our disposal. From the time of the installation until December 31, 1986, our terminal entered 31,159 inquiries on this system.

Patrolman Brian E. Collins attended the New Hampshire Police Standards & Training Council Juvenile Officer School and upon completion was assigned to our Detective Division as the Youth Services Officer. Brian has done an excellent job and has greatly improved the ability of our Department in dealing with youth offenders.

I would like to take this opportunity to thank you, the voters, for the support you have given your Police Department at last year's Town Meeting and also at the Special Town Meeting held on August 19th. I hope that we have earned your continued support for 1987.

Respectfully Submitted,

CHIEF OF POLICE
William R. Scaletti

REPORT OF THE CONWAY POLICE COMMISSION FOR 1986

Our Conway taxpayers can, once again, be very grateful for the expertise of our Chief of Police and his staff. For the third consecutive year, the Department was considerably within the budget at the close of 1986. We, the Commissioners, feel that this is a tremendous attribute in these days of rising economy.

The Conway Police Commissioners, as well as the rest of the Conway Police Department, regretfully accepted the resignation of Prosecutor William Albrecht which will become effective on March 3, 1987. Bill has been a tremendous asset to our staff, directing his efforts to our court-related activity. We sincerely thank Bill for his dedication and commitment to the Conway Police Department during the five years that he was with us, and we truly wish him the very best in his new position with a local law firm. In his place, we have recently hired Robert A. Martin, who is also from New York State. We welcome Rob to our prosecution office and look optimistically to his tenure with us.

New physical changes within the Department during 1986 were kept at a minimum. A new IBM compatible computer system was purchased in December and is currently being installed to go on-line before the 1987 Town Meeting date. This is a long overdue addition to our working efficiency and the entire staff welcomes this change.

Basically, the Police Commissioners are requesting your support in the requisition of two major changes to the Department during 1987. The need for more officers is extremely evident with the increased building of residences as well as businesses in our area. The request for Police Services totals which are printed elsewhere in the publication reflect the tremendous growth rate that we are experiencing in our Department. If we are to keep the competent Police services that we have had in the past, we must expand with the valley, and we believe that now is the time to add two more Patrolmen to our staff. We trust that the taxpayers have been satisfied with the performance of our Police Department in the past and desire to continue with the record performance that we have been able to provide. These two additional men are necessary to keep up with the growth of our community.

The second major request of 1987 is the renovation/addition to the current Police Department building. We have a minimum of twenty-seven full time employees working out of the present structure. When the Department moved from Seavey Street in 1976, there were considerably fewer employees working out of the building and we are now bursting at the seams. We realize that there is a tremendous need for additional space when we see supplies stored in offices, cramped working spaces, a minimal area to store evidence, lack of room for proper filing cabinets, and an unsatisfactory

work space for general cruiser maintenance - just to mention a few of the inadequacies. We welcome you, the taxpayers of the Town of Conway, to visit your Police Department at your convenience (we are open twenty-four hours a day, seven days a week) to see for yourself the need for an expended area, and we urge you to get out and vote for this vital change at the 1987 Town Meeting.

We, the Police Commissioners of the Town of Conway, are grateful to the taxpayers of our town for the opportunity to serve in this position and trust that you have not been disappointed in our performance during 1986. We look forward to a productive year in 1987.

Respectfully submitted,

CONWAY POLICE COMMISSION
Commissioner Robert F. Porter, Chairman
Commissioner Ronald A. Light
Commissioner Paul D. Whetton

REPORT OF DWI TASK FORCE COMMITTEE

Since the creation of the Conway DWI Task Force, several activities and goals have been accomplished in the attempt to reduce the social damages resulting from DWI.

1. In January of 1986 a bartenders' against drunk driving seminar was held at the Red Jacket. Over 60 bartenders, waiters and waitresses attended.
2. In an attempt to determine school-age patterns of substance use or non-use, all 7th and 8th graders in SAU #9 participated in the Youth Survey Questionnaire endorsed by the Consultant for Alcohol and Drug Education, New Hampshire State Department of Education. The results of the survey will be helpful to the task force in determining future goals.
3. The task force received grant funds from the New Hampshire Highway Safety Agency to assist the Kennett High School Parent Teachers Student Association in supporting the first annual chemical free graduation party.
4. Conway Police Department worked closely with New Hampshire Highway Safety Agency and received funding for one more patrol car the week of "National Drunk and Drugged Driving Awareness" week. There were six more DWI arrests that week.
5. The task force had as a goal to sponsor chem free dances locally, and when this was brought before the Kennett High School Parent, Teachers, Student Association, they were immediately begun and have continued. The dances have been sponsored by the PTSA, the Future Business Leaders of America, and the Chem Free Graduation Committee.

The task force continues to meet monthly with several goals for 1987. Notices of the meetings are in the newspapers, on the radios and read in the announcements at the high school.

Respectfully submitted,
Diane Bilotta

REPORT OF THE TOWNWIDE FIRE DEPARTMENT COMMITTEE (TWFD)

There is an old saying of some merit which says "There are two kinds of fools - one says 'this is old, therefore, it is good'; the other says 'this is new, therefore, it is better.'" The point being that a course of action must stand on its own merits, not on whether it is old or new. So much for philosophy.

There has been a growing awareness in the last several years that the problems and needs of providing fire protection to our town are overtaking us. The area is growing by leaps and bounds. There is much construction of large buildings such as condos and large commercial complexes. This expansion is now spreading into areas of the Town which were only woodlands and farmlands.

The present fire protection system consists of five separate fire departments which are divisions of independent precincts in most cases. These precincts support their own fire departments independent of the Town of Conway. About one fourth of the property value of the whole town is not in any of these precincts. The nearest precinct fire department supplies protection to these areas and the Town of Conway pays the precincts for this service. This creates a tax inequity because the precinct resident pays for his own fire protection through his precinct tax, and also must help pay for the protection of the outside properties through his town tax. An even more important angle of this situation is that the precincts cannot be expected to invest heavily in more tank trucks and specialized large capacity hose carriers which are needed primarily to better protect the more remote out-of-precinct areas which are not nearly as well endowed with water sources as the precincts themselves. This whole situation is being aggravated by the spread of developments into these areas.

There are also increasing concerns in the precincts themselves caused by near runaway growth and the proliferation of large buildings of combustible construction. These create fire suppression problems which, a few years ago, were commonly found only in cities. We are not a city, at least not yet. We are no longer a simple country town either. We are in the middle in many respects. It would be simpler from the fire protection standpoint if we were one or the other.

Manpower for fire fighting is a basic resource which is undergoing change. We depend almost exclusively on dedicated personnel who are really volunteers whether they are paid a token wage or not. They leave their work or private activities to answer the alarms. Without them we would have no fire departments.

The demands on the time and energy of the firefighters and emergency medical personnel have snowballed in recent years in the form of required

training. Fire fighting hazards have been increased by the wide use of new synthetic materials and building methods. Large buildings mean more potential for life threatening situations involving larger numbers of people. Fire suppression in some of these large complexes involves much more sophisticated methods. It can require closely integrated operations involving the total commitment of most of the fire fighting resources of the whole valley.

These all add up to the necessity of more thorough training from the basics taught to new recruits, through company operations, to multi-department operations at major incidents. Training of emergency medical personnel is extensive and must meet state and federal standards.

The demands on the time of volunteers come at a time when many must work extra hours or extra jobs to make a living. They often work at jobs which take them out of town and, therefore, they are unavailable. The departments have generally been able to keep their rosters filled, but with considerable turnover. Responses to alarms during certain time periods are sometimes dangerously low.

Fire prevention standards in the form of inspections and implementation of life safety codes have been mandated by the State and, indeed, by common sense. Any loss of life due to unsafe conditions being allowed to be built into new buildings or to continue in old buildings is unacceptable. The problem is that inspections and code enforcement require a lot of time by trained personnel. Small fire departments have great difficulty meeting these demands and in most cases cannot give these programs the attention they deserve.

The foregoing is a partial outline of problems and needs which are facing us. It is time to consider changes in our fire protection system to put us on top of these complex needs for now and the future.

The establishment of a townwide fire department (TWFD) to incorporate the present five fire departments would provide a more efficient and comprehensive system to handle the many facets of providing modern fire protection on an even-handed and equitable basis to a rapidly growing and changing town.

Some of the advantages of consolidation would be a fairer system of funding, an improved level of fire protection in the outlying areas as well as in the centers, expanding and standardizing of training programs, provision of fire prevention and life safety programs, better preplanning of responses and procedures for more efficient coordination of the various units when involved in major incidents, provision of centralized clerical services to free fire officers for more important duties, and more efficient utilization of manpower and equipment town-wide.

A high priority in any consolidation must be to retain the good features of our present system. These include the many dedicated officers, firefighters

and rescue personnel who give of themselves on a part time basis; the good geographic distribution of fire stations and the pride in the various departments by both the members and the communities they serve.

One very important prerequisite to combining into a TWFD is the establishment of a central communications and dispatching center. This should have the capability of not only accepting emergency calls from the public and dispatching the appropriate units, but of coordinating the activities of many units in a variety of emergency situations. Progress towards this goal is being made. The telephone company will be able to supply the so-called "911" system in the summer of 1988. This will allow anyone anywhere in the Town of Conway to report any type of emergency by dialing 911. A separate committee is working on the central dispatch program.

A committee to study the concept and ramifications of establishing a TWFD was established several years ago and has seen sporadic activity since. This committee was reactivated by the Selectmen in 1986. The committee is composed of fire chiefs and other fire service personnel, town and precinct officials, and interested citizens. We have held monthly meetings since September, 1986, and have established several subcommittees to study organization and manpower, apparatus and equipment, public information and legal aspects.

An article in the Town Warrant asks for \$6,000 to hire a fire service consultant to assist and advise the TWFD committee on technical matters in its deliberations, and in the eventual implementation of any program which the committee might formulate and which the voters might approve. This sum of money is for up to 3 years of consultant services, if needed.

The TWFD committee is in the process of gathering information and examining options. We are not yet prepared to make any definitive recommendations. It is an objective of the committee to have firm proposals to present to the voters at the Town Meeting in the spring of 1988.

Raymond Lowd, Chairman
Townwide Fire Department Committee

REPORT OF 911/CENTRAL DISPATCH COMMITTEE

The 911/Central Dispatch Committee was formed by the Conway Selectmen in August, 1986, as a result of Article 16 of the 1986 Town Meeting.

Since its formation, the committee has spent many hours discussing the entire concept of central dispatch and its potential impact on the Town of Conway. The committee feels confident that a 911 dialing system will be of the greatest benefit to our town because of the town's diversity and its transient population.

A few of the topics that will be addressed by the committee over the coming months are: recommendations on necessary equipment; recommendations on procedures to be used by dispatchers; hiring qualifications for dispatchers and training of personnel; salary recommendations; and policy procedures (including chain of command).

The 911/Central Dispatch Committee welcomes anyone to attend its meetings, and encourages comments. The implementation of 911 would be most effective if it is done with the total support of the town and its agencies. Meetings are held on the first Thursday of every month at 7:00 p.m.

BOARD OF ADJUSTMENT REPORT

The Board of Adjustment heard 50 appeals during the year resulting in the following actions:

Administrative Decisions - 7

6 Upheld

1 Overturned

Variances - 10

1 Granted

7 Denied

2 Withdrawn

Special Exceptions - 33

21 Granted

7 Denied

5 Withdrawn

The range of cases this year was broader than in the past and involved much broader segments of the ordinance. Several appeals have been made by individuals who seek improvements to their property as well as from the professional developers.

From an administrative view of the ordinance, it would be advisable for the town to enact only amendments which are enforceable. It would certainly be advisable that when considering additions to the Ordinance that the provisions would accomplish the desired result. Special exceptions should have specific criteria so that the Board has given limits which must be met. I feel this lacking in the proposed amendment 12.

The Board expresses its appreciation for service to Elizabeth Dickinson and Christopher Marchioni who both found it necessary to resign from the Board. Susan Kuemmerle was named to the Board and Jan Weinraub was named as an alternate. Anyone concerned with the administration of the Zoning Ordinance should make their interest known to the Selectmen as there are openings on the Board as alternates.

CONWAY BOARD OF ADJUSTMENT

Phyllis Sherman, Chairman

Susan Kuemmerle

John Connolly

William Crowley

Janice Weinraub

CONWAY PLANNING BOARD CHAIRMAN'S REPORT

The Planning Board had an extremely busy 1986, with a continued backlog of applications into 1987. At this point in time, an applicant for subdivision or site plan will be scheduling a first appointment in July 1987. Unfortunately, this does not leave the Board the necessary time to plan community growth, which is of primary importance with our continued rapid growth. This necessary planning time could be gained with some minor changes in the process and more responsibilities delegated to our Town Engineer, Scott Johnstone. Scott is highly qualified and has had one year of experience with the Board and town regulations, which would enable him to review plans and make recommendations to the applicant before submission to the Board for acceptance of the application and approval. In turn, the process would be expediated and allow the Board more work meetings for planning a more controlled growth.

The following statistics were processed at posted public hearings throughout 1986:

SUBDIVISION APPLICATIONS

Major Subdivisions	35
Minor Subdivisions	14
Subdivisions accepted	49
Subdivisions approved	42
Subdivisions denied	1
Subdivisions under review	6
Total lots considered	202
Total units considered	302
Boundary Line Adjustments	
Accepted	28
Approved	27
Denied	1

SITE PLAN APPLICATIONS

Site Plans accepted	39
Site Plans approved	33
Site Plans denied	4
Still considering	2

SITE PLAN EXEMPTIONS

Exemptions granted	82
Exemptions denied	20

I would like to thank the entire Board, alternates, Scott Johnstone, and Kathy Szympruch for their continued support of the Planning Board process on behalf of the voters in the Town of Conway. The Board has, and will continue to abide by the Zoning, Subdivision and Site Plan Regulations that the voters of Conway have approved. I would encourage all Conway voters to attend a meeting, regardless of self interest, just to view the process and give support or constructive criticism to your Planning Board.

Respectfully submitted,

William Jones
Chairman

TOWN ENGINEER'S REPORT

1986 saw a continuation of the explosive growth which Conway has experienced during the past couple of years. As this growth continues, more and more technical issues come to the forefront. The Town recognized the need for a staff person with a technical background. To date the position is all I could have asked for, and I am thankful to have been chosen for it.

One of the interesting aspects of this position is that I have the opportunity to work with both the Planning Board and the Board of Selectmen. The issues facing these Boards, such as subdivision pressures, garbage disposal, groundwater quality, traffic pressures and Town planning, are all issues which require some technical expertise. Hopefully the information which I can supply as well as review for them, will assist in resolving some of these issues.

Another technical issue which arose during this past year, was the adoption of BOCA National Building Code. This code was adopted at Town Meeting in 1986. The purpose of the code is to give builders a set of guidelines which they must follow, resulting in a safer community for the public. During the past year the code was implemented in that plans for all commercial and multifamily structures are now reviewed for code compliance. Hopefully, during the coming year the inspections to ensure that the structures were built in accordance with the approved plans can be done.

I would like to take this opportunity to thank the many townspeople, the elected officials, the Town staff, and Paul King, for their help and patience with me while I became familiar both with the Town and my position.

Respectfully submitted,
D. Scott Johnstone
Town Engineer

D. Scott Johnstone, Town Engineer

REPORT OF LIBRARY TRUSTEES 1986

There has been a very gratifying increase in library activities since the completion of the renovation of the basement of the library (Project READ) in the spring of 1985. Circulation increased 12.4% in 1986 over 1985, and 25% over 1984; reference questions answered increased 13.7% over 1985, and 100% over 1984. The number of people coming into the library increased 22% over 1985, and 62% over 1984. There are over 23,000 volumes in the library. The trustees and the librarian gratefully acknowledge the gift of many books.

Time contributed by volunteers complements the professional staff. The Conway Woman's Club continues to help the library with the annual book sale, and decorates two Christmas trees each year. Their support is much appreciated.

Adult programs included "New England and the Constitution," sponsored by the Anna Stickney Chapter NSDAR and the Conway Woman's Club, "After the Revolution," "Women Writers," and "N.H. Archaeology." The Conway Library was one of two in the state that sponsored the greatest number of humanities programs.

There are many reading enrichment programs for children. A record number of children enrolled in the summer reading program, which was concluded by a visit of the Little Red Wagon. During National Library Week the children's librarian, Cindi O'Connor, gave talks at public schools.

Civic groups continue to use the meeting room.

Use of the History Room has increased since there is a part time staff person assigned there.

The use of computers continues to expand, and the possible use of automation of the circulation systems is being studied.

Margaret Marschner is the chairman of the 1986-1987 Area Library Forum I, which provides communication and cooperation between the state library and local libraries in the northern part of the state.

The Trustees and the Librarian are proud of the expanded use of the library, and realize that the physical facilities are being used to capacity.

Helen Bumstead, Chairman
Library Trustees

REPORT OF THE CONWAY CONSERVATION COMMISSION

There has not been a great deal of activity to report in 1986. The Commission members have met several times throughout the year, sometimes at the office, and sometimes at the property site. There were two cases of encroachment on town property that were reported to the selectmen.

Some of the Conservation land (10 1/2 acres) was sprayed for brush control to encourage the more desirable trees and also to keep open, present scenic vistas. This was carried out as recommended by the County Extension Forester.

We wish to remind residents and users of Whitaker Woods that no vehicles are allowed on this property except for maintenance vehicles. That means no ATV's, snowmobiles, motor cycles, dirt bikes, and etc. Signs have been placed along the boundary lines. There is a fine for not obeying the restrictions.

The Conway Conservation Commission is always open for suggestions and comments about the use of Town owned property.

REPORT OF CONWAY RECREATION CENTER

The Center continues to increase its involvement in the community by providing over 60 quality programs. The Recreation Dept. provides a Community Building for meetings and activities for local clubs and organizations.

The skating rink is a vital part of Conway Village and is often used 12 to 15 hours a day. The Conway School District uses it for physical education classes, local kindergartens and Conway Elementary School skate each week. The Center offers a Pee Wee Hockey program and a Junior High Hockey program, and it is used by recreational skaters of all ages.

Our bandstand is used for summer concerts and also is a shady spot for parents to sit as they watch their children play on the well-equipped playground. The outdoor basketball court is used in warmer months along with the picnic tables for family get togethers. As usual, the summer playground program continues to be a great success with as many as 150 children participating.

The American Legion Field in Conway is maintained and scheduled by us, along with two baseball teams for youngsters 13-18 years of age.

As the town grows, so must the recreation facilities offered to the public. A much needed swimming area for the town is being studied and, hopefully, at a future town meeting a site will be brought before the town.

I would like to thank the Recreation Commissioners, Conway Fire District Commissioners, Friends of the Conway Recreation Center, the Conway School District for the use of its facilities, the volunteers who make our programs a success, and the taxpayers for their support.

Respectfully submitted,

Kenneth M. Jones
Recreation Director

NORTH CONWAY COMMUNITY CENTER

The Community Center had a very busy year in 1986. Our programs that range from youngsters on the playground to sponsorship of the Carroll County Retired Senior Volunteer Program (RSVP) were again very active.

Boys and girls sports, as can be expected, were a major recipient of our program time. However, adult involvement continues to rise as we have a 12 team Softball League, an 8 team Basketball League at Kennett High School, along with open gym nights at the Center for adults.

Over \$34,000 was raised by the Board of Directors last year. The areas of income include Mud Bowl, Valley Equine Classic, Carroll County Kennel Club, Crafts Fairs, Bike Races and Kids' Nite Out.

In 1986 the Board of Directors voted to purchase new playground equipment to replace the units that had served us so well for over 50 years. The cost of the project, which will be \$25,000, will be borne by the Board through a fund raising campaign.

Thank you's are certainly in order for the tremendous support we have received from our community in 1986.

Respectfully submitted,
Kim Perkins,
Director of Recreation

REPORT OF THE CONWAY RECREATIONAL ADVISORY COMMITTEE

The Conway Recreational Advisory Committee (CRAC) met formally on 10 occasions during 1986. The Committee also convened in the field to inspect possible recreation sites throughout the year.

1. Davis Park - James Woodman of Bartlett was appointed as summer Park and Recreation Supervisor. Woodman, who was the first full time supervisor ever in the park, reported a successful season. There was heavy usage of the three tennis courts, and a tennis clinic was conducted weekly under the direction of Jean-Claude Infante of Center Conway, who volunteered his services. An informal summer basketball league had 20-25 regular participants. Volley ball and horseshoes were added as drop-in programs. CRAC has recommended continued funding of the supervisor in the 1987 budget. CRAC also recommended that the parking area be paved and striped to increase the numbers of cars which may be parked off street. Sufficient funds are included in the 1987 budget to complete this work.

2. Conway Lake Beach - This area, which is extremely small and often crowded, was under the supervision of three excellent and well qualified people. Roberta Hemeon and Mary Ellen Levitt ran a successful swim instruction program for over 200 children. Jack Marriner served ably and faithfully as lifeguard.

3. Swimming Area Acquisition - Following the establishment by the 1986 Town Meeting of a Capital Reserve Fund, with an initial amount of \$15,000, CRAC has conducted an intense effort to identify and evaluate potential sites. Working closely with Resource Conservation and Development (RC & D), 28 potential sites have been evaluated. Of these, seven sites have been identified as being feasible for development. These sites are now being studied more closely. CRAC is recommending that an additional \$15,000 be added to the Capital Reserve Fund, and a special article appropriating that amount is in the Warrant.

4. First Bridge Area - The Town was fortunate in receiving from Dr. Eugene R. Hussey a gift of over 20 acres of land which abuts the Saco River in the First Bridge area. This land is to be used for recreation purposes. A master plan is being prepared for the area by Assistant Town Manager, John Walsh, and Town Engineer, Scott Johnstone, under CRAC's direction, for submission to the Conway Board of Selectmen.

5. Smith-Eastman Landing - Construction on this area was completed in May of 1986, and the area was dedicated for public use. It offers a picnic area, a canoe launching ramp, and increased parking. The site offers a fine view of the river in tranquil surroundings. CRAC hopes that a larger number of the populace will avail itself to use of the site.

WATER SAFETY REPORT

Shiver, shiver, shiver! The summer of 1986 could also be called "The summer that never was . . ." Rain, wind and cold temperatures discouraged some people from entering the water, but 262 children braved the cold and participated in Conway's Red Cross Swimming Program. The format was the same as in the past: at Conway Lake, 2 four-week sessions were taught by enthusiastic Bobbi Hemeon and Mary Ellen Levitt. Echo Lake, although still short one teacher, was fortunate to have Steve Frechette helping out, while Water Safety Instructors Kathryn Burnell and Ann Ostroski taught the usual four-week session.

Ideas being considered for next summer include starting the Echo Lake session 2 weeks later, thus affording more flexibility for families planning vacations, and re-structuring registration so that people would sign up for a specific class at a given time. Please contact Kathryn Burnell with feedback or other suggestions.

Respectfully submitted,

Kathryn A. Burnell

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

Between July 1985 and June 1986, we experienced fewer fires than normal. The two leading causes of forest fires were again children and fires kindled without written permission of a Forest Fire Warden. Both causes are preventable, but only with *your* help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulation is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call your Forest Fire Warden.

If you own forest land, you became responsible for the timber tax payment starting April 1, 1986. This is a change in the Timber Tax Law that will impact all forest landowners. Contact your Board of Selectmen for timber tax forms.

FOREST FIRE STATISTICS - 1986

Number Fires Statewide	840
Acres Burned Statewide	751
Cost of Suppression	\$275,956
District Fires	62
Acres Burned in District	121
Town Fires	7
Acres burned/Town	4
